## Meet Teacher Haley Dame

*Miss Haley has her Bachelors of Science in Economics with a Minor in Business from the University of Utah.*

*She has an extensive background in dance starting with Virginia Tanner, and continuing through various schools through her teen and adult years.*

*After moving to central Washington, she created and began to teach Pink Tutu's, a creative movement class for toddlers. In 2014 Haley and her family moved back to Utah and was thrilled to continue teaching creative movement at The Dance Company.*

*Since 2015 she has worked at the Montessori Community School teaching both preschool and elementary school age children. She has loved creating her own curriculum using Montessori Methods infused in movement and self-expression. Haley is the mother of three children who*

*love to dance in the kitchen with her....sometimes!*
